

OUR PRODUCTS

Range & overview

The whole world of Formesse.

The Formesse name is synonymous with top-quality fitted sheets, protective covers for mattresses and pillowcases that will give you many years of reliable service – all made in Germany. We keep 6,000 different products permanently in stock for you. So we can deliver promptly should you, for example, require a bedsheet for an extra-high, oversize mattress in a particular colour. And if you need a bespoke fitted sheet or protective cover, our non-standard size service is there to help.

The following pages provide an overview of our products and their features, as well as highlighting the similarities and differences between them.

Pages 2–11 Fitted sheets
Pages 12/13 *Our fitted sheets at a glance*
Pages 14–19 Protective covers for mattresses
Pages 20/21 *Our protective covers at a glance*
Pages 22–25 Pillowcases
Pages 26–29 Summer blanket

FITTED SHEETS

The differences between our fitted sheets are not always apparent at first glance. Our sheets have a lot of features in common. After all, Formesse stands for high-quality fitted sheets that will be with you for many years to come. With permanently brilliant colours and without pilling. Our sheets are especially prized for their optimum combination of elasticity and recovery. Which makes them easy to fit with no irritating wrinkles.

Of course there are differences between our sheets, such as the type of cotton and finish, whether we use yarn or thread, and how the jersey is processed, and the difference is ultimately reflected in the price. This allows us to address different categories of customer. However everyone who buys Formesse has one desire in common: they wish to buy a top quality product.

We invite you to immerse yourself in our product worlds – from the majestic to the everyday, but always in the outstanding quality that is typical of Formesse. And with loving attention to every detail.

Bella Donna[®]

HER ROYAL HIGHNESS – a high-quality jersey fitted sheet in 54 beautiful colours. Enriched with aloe vera and silk proteins.

The queen of fitted sheets.

Bella Donna Jersey has been part of our range for over 20 years and is our undisputed bestseller. This fitted sheet is made from a long-staple, two-ply cotton yarn, processed and finished to the highest quality. The result is a fitted sheet with exceptional pilling values and outstanding longevity. The fine knitted structure, enriched with aloe vera and silk proteins, lends Bella Donna Jersey a delicate feel and subtle sheen. The sheet itself is remarkable for its very opaque, noticeably heavy-weight quality. This shows we use a lot of raw product, making the sheet naturally durable and long-lasting. Its very elaborate finish, plus the use of double-plated elastane, give Bella Donna Jersey its unique elasticity and recovery. All this puts Bella Donna Jersey firmly in the premium class of fitted sheets.

Good to know:

- 54 colours in stock for standard and box-spring mattresses, and toppers
- Non-standard size service for duo beds and individual bespoke orders

What all our fitted sheets have in common:

- First-class fabrics, high-quality finish
- No pilling, colourfast and exceptionally long lifespan
- Wrinkle-free fit thanks to high elasticity and recovery
- Exceptionally wide range of colours and sizes always in stock
- Made in Germany

MADE FROM:

97% long-staple cotton yarn

3% elastane

Supercombed, gassed

With aloe vera & silk proteins

Bella Donna[®]

PREMIUM

*Elegance and a perfect fit – the premium version of our Bella Donna.
With an even finer feel, a beautiful sheen and brilliant colours thanks to mercerisation.*

Something very special made even better.

As the name suggests, Bella Donna Premium shares many of the exceptional qualities of our Bella Donna Jersey sheet – however it is even more exclusive. The sheet has an even finer and more uniform loop structure, and an exquisite sheen thanks to mercerisation really makes it stand out. This additional finishing step is a very sophisticated one. We employ a special mercerising technique that maintains the fabric's elasticity and recovery – precisely the properties that make our Bella Donna sheets so highly prized.

Good to know:

- 24 colours in stock for standard mattresses
- Non-standard size service for box-spring mattresses, toppers, duo beds and individual bespoke orders

What all our fitted sheets have in common:

- First-class fabrics, high-quality finish
- No pilling, colourfast and exceptionally long lifespan
- Wrinkle-free fit thanks to high elasticity and recovery
- Exceptionally wide range of colours and sizes always in stock
- Made in Germany

MADE FROM:

96% long-staple cotton yarn

4% elastane

Mercerised, supercombed, gassed

With aloe vera & silk proteins

Bella Sephina

BEST FRIEND EVER – *a fine jersey fitted sheet made from high-quality compact yarn with elastane.*

Everyone's favourite fitted sheet.

Bella Sephina is an upper mid-range fitted sheet. It lies somewhere between Bella Donna Jersey (high-end) and Bella Gracia (entry model in the world of luxury fitted sheets). Made from high-quality compact yarn with a wonderfully soft and cosy feel, it is not quite as heavy as our Bella Donna Jersey. But you can still tell that lots of cotton has been finely knitted into a long-lasting sheet. The elastane content ensures perfect elasticity without overstretching, thereby guaranteeing an impeccable fit for many years to come.

Good to know:

- 36 colours in stock for standard mattresses

What all our fitted sheets have in common:

- First-class fabrics, high-quality finish
- No pilling, colourfast and exceptionally long lifespan
- Wrinkle-free fit thanks to high elasticity and recovery
- Exceptionally wide range of colours and sizes always in stock
- Made in Germany

MADE FROM:

96% cotton

Combed

Bella Gracia

EVERYBODY'S DARLING – *a reliable elastane fitted sheet made from high-quality, combed, compact cotton yarn. Tempts you with its 54 beautiful colours and superb fit.*

Enter the world of luxury fitted sheets.

Enter into the world of luxury fitted sheets with our Bella Gracia. This sheet is made with compact yarn and is a trusted companion, setting a high benchmark for quality. Made from high-quality, combed cotton, it is the lightest fitted sheet in our range. However compared to other products in the market, a lot of cotton has been used in making this sheet, so our Bella Gracia offers very reliable and appealing quality at an attractive price. Bella Gracia – luxury for one and all.

Good to know:

- 54 colours in stock for standard mattresses
- 15 colours in stock for box-spring mattresses and toppers
- Non-standard sizes service for duo beds (individually adjustable mattresses)

What all our fitted sheets have in common:

- First-class fabrics, high-quality finish
- No pilling, colourfast and exceptionally long lifespan
- Wrinkle-free fit thanks to high elasticity and recovery
- Exceptionally wide range of colours and sizes always in stock

A woman with blonde hair is sleeping on her side on a bed. She is wearing a white tank top and white shorts. Her head is resting on her arm, and her eyes are closed. She is lying on a purple protective cover that is draped over a white mattress. The mattress has a visible pattern of small, raised squares. The background is a plain, light-colored wall.

PROTECTIVE COVERS

Healthy sleep needs the right environment. Protecting your mattress from moisture, dirt and skin particles promotes a hygienic sleeping environment, in which you feel comfortable and can enjoy restorative sleep. Protective covers also protect the mattress from unattractive stains and odours, resulting in a much longer mattress lifespan. Our high-quality, functional protective covers for mattresses possess many different properties to cater for different consumer demands. What they all have in common is their practical fitted sheet format: the protective cover wraps tightly around the mattress and does not bulk up under the overlying fitted sheet.

Good to know: our protective covers are available for standard and box-spring mattresses, as well as for toppers, duo beds (individually adjustable mattresses) and as individual bespoke orders.

The protective cover with a 3D structure: SATINESSE AIR

Thanks to the special 3D structure of this hard-wearing, elastic fabric, a constant air buffer and ventilation openings in the lying surface ensure air circulation even under your body. This avoids accumulation of moisture and balances temperature. Your sleeping environment remains fresh, dry and at a comfortable temperature at all times.

- Water-resistant finish – moisture cannot penetrate
- Pronounced point elasticity ensures greater resting comfort
- Also available as a pillow protector

Satinasse Air is also available with a silver finish for extra hygiene and freshness. Silver offers reliable protection against bacteria and other microorganisms, and has been used in medical applications for many years. The effect is based on a continuous release of silver ions that reside in the interstitial spaces of the yarn and are permanently bonded to the fabric of the protective cover by strong attraction forces. This ensures the effect persists, even after multiple washes.

60% polyester
40% lyocell
Jersey sides:
97% cotton
3% elastane

Reliable moisture protection: SATINESSE PROTECT

The breathable, moisture-resistant polymer membrane of this protective cover prevents moisture from reaching your mattress and offers reliable protection against dust mites. It does so by establishing a physical barrier between mattress and occupant, thus effectively breaking the food chain of the dust mite, as skin particles can no longer reach the mattress.

A cotton cover over the elastic polymer membrane provides a pleasant surface on which to lie. An additional biocidal treatment helps prevent unpleasant odours and provides additional defence against dust mites.

- Water-resistant, breathable polymer membrane
- Ideal for allergy sufferers

What all our protective covers for mattresses have in common:

- First-class fabrics, high-quality finish
- Fitted sheet format with elasticated edge – easy to fit with no visible edges on the lying surface
- Excellent fit

Active hygiene protection with the functional fibre Tencel®: BELLA DONNA CLIMA

The 100% Tencel® terry surface of this protective cover provides effective moisture management. Tencel® is a natural cellulose fibre that has excellent moisture absorbing qualities. It stores moisture at night and releases it back into the air during the day. A Bella Donna Clima mattress protector thus ensures a healthy, dry bed and keeps away dust mites, bacteria and unpleasant odours.

- Natural hygienic protection and moisture management with Tencel®
- Tencel® is derived from wood, making it sustainable and fully biodegradable
- Also available as a pillow protector

What all our protective covers for mattresses have in common:

- First-class fabrics, high-quality finish
- Fitted sheet format with elasticated edge – easy to fit with no visible edges on the lying surface

For a pleasantly dry sleeping environment: BELLA DONNA EDEL-MOLTON (Fine Flannelette)

Bella Donna Edel-Molton is made from fine flannelette, protecting your mattress from dirt and stains, and ensuring a pleasantly dry sleeping environment. The long-napped cotton is cosy, soft and extremely absorbent. Perspiration is absorbed and the cotton has temperature regulating properties.

- Long napped cotton pile
- Soft and cosy, with temperature regulating properties

A stack of five rectangular pillowcases in vibrant colors: orange, blue, purple, teal, and pink. The pillowcases are neatly folded and stacked on top of each other, creating a layered effect. The lighting is soft, highlighting the texture of the fabric.

PILLOWCASES

*A perfect match for our fitted sheets and protective covers –
for pillows of all shapes and sizes.*

With a fine sheen: Bella Donna Interlock Jersey pillowcase

Made from 100% long-staple, mercerised cotton.
Available in 27 colours to match our range of high-quality
fitted sheets – for perfectly combined bed linen.

Brighten up your bedroom: Bella Donna Interlock
Jersey pillowcases in a whole host of brilliant colours are
a pleasure to behold. Every Bella Donna pillowcase is
made from the finest elaborately finished, double-knitted
cotton jersey. The fabric is beautifully soft and supple,
making the pillowcase easy to care for and ironing unne-
cessary. A practical zip is concealed behind a flap.

- In 27 colours and many different sizes always in stock
- No pilling thanks to compact yarn of very long cotton fibres
- Long-lasting thanks to mercerisation and a high-grade finish, retains shape and sheen

100% long-staple cotton yarn
Mercerised

Flexibility for all: Bella Donna Jersey fitted pillowcase

Soft, fine and stretchy – the flexible fitted pillowcase for
all neck support pillows. Made from high-quality cotton.
Gloriously soft with an attractive sheen thanks to added
aloe vera and silk proteins.

Our fitted pillowcases in the popular, opaque and
stretchy Bella Donna quality fit your therapeutic pillow
without a wrinkle and adapt flexibly to different pillow
shapes. Designed like a fitted sheet for mattresses, this
pillowcase adapts perfectly to the shape of the pillow
thanks to its high-quality, all-round elasticated edge.

- No pilling thanks to extremely long-staple cotton fibres and additional gassing
- Soft and smooth with added aloe vera and silk proteins
- Heavy, opaque quality

97% long-staple cotton yarn

SUMMER BLANKET

Refreshing sleep on hot summer nights – made from high-quality cotton with Tencel® climate concept.

Keeps you cool on hot summer nights: Bella Donna Summer Blanket

For those who have always dreamt of refreshing sleep on hot summer nights, the dream is now a reality. Thanks to the natural cellulose fibre Tencel®, the Bella Donna Summer Blanket incorporates a sophisticated climate control concept to ensure pleasant temperatures and a dry sleeping environment. Its incredible functional fibres ensure that the summer blanket effectively absorbs moisture, reducing bacteria and unpleasant odours. The inner side of the summer blanket is made from high-quality cotton jersey, naturally enriched with aloe vera and silk proteins.

The Bella Donna Summer Blanket is designed to be used without a cover. It makes an attractive addition to any bedroom and is also a great cosy blanket for snuggling up on the sofa.

And best of all: thanks to its easily manageable size, it is also the ideal travelling companion on journeys.

What characterises the Bella Donna Summer Blanket:

- Tencel® climate concept
- Pleasantly lightweight material
- Easy-care – no cover necessary, washable, suitable for tumble-drying.
- Tencel® is derived from wood, making it sustainable and fully biodegradable

Also available as a summer pillowcase.
